

**NOTICE FOR INVITING CONTRACT PROPOSAL FOR CONDUCTING
ENVIRONMENTAL IMPACT ASSESSMENT (EIA) DUE TO MINING ACTIVITIES
AND SUGGESTING THE MITIGATING MEASURES IN SINDH PROVINCE**

The Inspectorate of Mines, Mines & Mineral Development Department intends to commission a study through a reputable consultant / consultancy firm, aiming at assessing the impact of mining on environments in Districts Karachi, Tharparkar, Thatta, Hyderabad, Jamshoro, Dadu, Sukkur, Khairpur & Badin and suggesting mitigating measures as well as environmental management control. The study inter alia includes identification of potential hazards of mining which are likely to mitigate the environments caused by any or all of the associated activities of mining both underground and surface including the crushing units.

2. The consultancy firm having verifiable over 10 years practical experience in Mining and allied disciplines and monitoring of mining environments for ensuring the eco-friendly system similar to the project study scope are invited to submit their proposals in accordance with tender documents/TORs which are available in the Inspectorate of Mines, ST/19, Block-6, Gulshan-e-Iqbal, Near NIPA, Karachi Phone No. 021-99243824 and Fax No. 021-99244243 on payment of Rs.1000 /- after publication of this notice in the leading daily Newspaper and on www.pprasindh.gov.pk web site.
